

What You Need To Know About

The BBI

(Blast the Barrier Intercession)

*Intensive Prayer Partnership For Husband Change And
Marriage Restoration.*

Welcome!

This manual is to enlighten you on what the ***Blast the Barrier Intercession*** (aka **BBI**) is all about.

If you already know of the **BBI**, you may just skip to the testimonies on page 20. However, I expect everyone to read through for a complete understanding.

I want *your spirit* to connect with the Spirit of God. That's where your issues will be opened... and changed according to your prayers. When things are changed in fervent prayers, that is, in the spirit, they are truly changed up to the physical. The physical *always* submit (obey) the spiritual!

First, this manual will initiate change inside you. It may be a spiritual direction, hunger or anger... it depends on the current state of your marriage.

Marriage of the Christian believer is a covenant among three: God, your husband and you. There are things that ought not to be! It doesn't matter where you missed it. There is something called *mercy*! It is a divine provision made for you to get things done for you... when you don't know what to do again. That is why God is in the covenant.

The devil has always been bad news. You see, he found an opening and entered your marriage. He put his damned foot in the door, so the door wouldn't shut against him. And you didn't see that foot but have been pushing to close. Hard work.

Now we see that ugly foot in the way! And we have the devil's foot-crusher here!

What would you do?

“Let us labor therefore to enter into that rest, lest anyone fall after the same example of unbelief.”

(Heb 4:11)

"And the multitude of all the nations that fight against Ariel, even all that fight against her, and that distress her, shall be as a dream of a night vision."

(Isaiah 29:7)

"For the LORD shall rise up as in mount Perazim, he shall be wroth as in the valley of Gibeon, that he may do his work, his strange work; and bring to pass his act, his strange act."

(Isaiah 28:21)

“Put me in remembrance: let us plead together: declare my Word, that you may be justified.”

(Isaiah 43:26)

“Behold, I will do a new thing; now it shall spring forth; shall ye not know it? I will even make a way in the wilderness, and rivers in the desert.”

(Isaiah 43:19)

Introduction.

As you may have seen earlier, the **BBI** stands for ***Blast the Barrier Intercession.***

It is a very intensive prayer partnership agenda for the elimination of spiritual and physical workings against the peace of your marriage. Every appearances and acts that troubles your marriage to take over your husband or make you shed secret tears for your marriage is the prayers' shooting target.

The problem in your marriage may seem physical but they have their roots in the unseen, that is, the spiritual. Jesus said *“Every plant, which my heavenly Father hath not planted, shall be rooted up.”* (**Matthew 15:13**)

The need to write this manual is to take care of the questions people ask me during the heat of the **BBI**. As much as those questions are important and appropriate, they tend to distract from the concentration of those times when we are all praying deep.

The Beginning...

In the early morning of February 17, 2017, it was a Friday (one of those days I will never forget in a hurry). I had just ended my midnight intercession for about 11 women and their marriages scheduled for that night. Sleep would not come. I would have wanted some rest before the break of day.

But, I was still strong and alert.

As I struggled to draw sleep, I felt that God wanted to speak to me. When HE wants to speak to me, HE usually sends this feeling!

So, I took my King James Bible and started to read. I opened to Matthew chapter 18... this *is* the chapter from where God gave me the Prayer Partnership Mandate. I got to verse 18:

Verily I say unto you, Whatsoever ye shall bind on earth shall be bound in heaven: and whatsoever ye shall loose on earth shall be loosed in heaven.

Again I say unto you, That if two of you shall agree on earth as touching any thing that they shall ask, it shall be done for them of my Father which is in heaven.

For where two or three are gathered together in my name, there am I in the midst of them. (Matthew 18:18-20).

This was a familiar scripture. God delivered my call for the healing and restoration of marriages from there. However, this scripture is always fresh each time I quote or read it.

As I closed my eyes and allowed my spirit to soar, I was connected and His Words poured into me...

I got instructions on what more to pray and do for the women and their marriages. There were wicked strongholds that would not break unless we turn on the heat.

I asked questions and got instant answers.

That very morning, I was commissioned to start a prayer

project where every woman who wants to be part will join this special prayer arrangement *in addition* to the approved targeted prayers. I received very specific direction on what we shall be doing during these sacred and fruitful prayer times now known as the **BBI**.

The only thing the Spirit did not give me during those two hours of encounter (from about 3.10 am to 5.35 am) was the name of the new prayer arrangement.

So it was much later in the evening of that day that the name ***Blast the Barrier Intercession*** (BBI) came to my mind. This name was very apt as it captured the **BBI** main goal.

Call unto me, and I will answer you, and show you great and mighty things, which you do not know. (Jeremiah 33: 3)

So, the first of the series of **BBI** for 21 days kicked off from *Wednesday, 24 May, 2017* and ended on *Tuesday, June 13, 2017*. The **BBI** started with a seven day fast.

What is the **BBI**?

As explained earlier, the **BBI** is a prayer partnership program between you and our prayer team here. Everyone registered in the **BBI** prays exactly the same words of prayer (except for the individual names you mention in the prayers, of course). The **BBI** Level 3, held in November 2017, had 215 women from 31 countries.

Note that the **BBI** is not mandatory for everyone. It is just for the persons who believes and has the time to pray. It is an individual thing for those who need a harder **PUSH** for their desperate prayers to be answered.

The major focus of the **BBI** is to remove every hindrance to prayers or failure to receive prayer answers.

The **BBI**, just like the approved prayers, will tackle delays in:

- Changing cheating, lying, unloving and ungodly husbands
- Ending husband affairs, immoral habits, ungodly associations and companies
- Healing, recovery and restoration of troubled or struggling marriages

- Dismissing demonic oppression and control in the lives of wives and husbands which leads to errors, misunderstanding and communication breakdown
- Reversing and cancelling divorce intentions, moves and court rulings
- Cancelling spells, enchantments, witchcraft and generational curses at work against marriages
- Inviting the Spirit of God to superintend on the marriages so that the will of God takes over in the families

How is the BBI Different From Approved Prayers?

The approved targeted prayers which is on-going and consistent is powerful and has been very fruitful in the lives of hundreds of women and their marriages.

The **BBI** is an extra-intensive and higher level prayer pump that never halts during the period. I pray for everyone in the BBI register individually, mentioning specifically their cases, their husbands and whatever details I have of them, using relevant pics where provided. I put the pics up and pray the mind of God over them.

Also, the prayer partnership team here pray with the zeal and passion round the clock through the entire duration, usually 21 days and nights. They take turns, in prayer shifts, so that there is someone here praying your prayers every minute of the 24 hours of the 21 days and nights of prayers.

The **BBI** is fully developed prayers, which you are given to 'read-pray' just as it is. This means that you pray the prayers as they are given. The only individualized aspects is where you have to slot in your name, your husband's name, the strange woman's or any others that the prayers require.

The fully developed prayers of the BBI is exactly the same prayers for everyone until the end period. This means that I and my team will be praying for you for the 21 days and nights. We also expect that you will be praying same prayers for yourself at the times advised in the ***BBI Letter***.

What Do You Need To Be Part of the BBI?

The **BBI** is a revealed altar of sacrifice. This means that anyone who wishes to engage the **BBI** prayers will access the instructions and prayers by a special seed-faith sacrifice. *Gather my saints together unto me; those that have made a covenant with me by sacrifice. (Psalms 50:5)*

This is why our BBI intercessions from here are mostly a cry for God to remember the sacrifice and have respect for the covenant of marriage. *Have respect unto the covenant: for the dark places of the earth are full of the habitations of cruelty. (Psalms 74:20)*

More About the Covenant of Sacrifice.

A covenant is a deal between two or more parties to protect and preserve the rights and interests of each other. Scripture-based covenant is the highest and most powerful covenant there is. Take the marriage covenant, for example. The Word said *“one can chase a thousand, two will put ten thousand to flight...”* (Deut 32:30) *because the Lord has defeated the enemies (ten thousand of them) before the battle!* It is God working with *the two* that made that feat possible. That’s covenant.

So you see, God is a third member of the marriage covenant (“God plus the two” Mark 10:9; Matthew 19:6), but He is not always given His place in the marriage, and the enemy takes advantage. That is why the covenant needs to be maintained by fellowship and prayers.

Knowing When You Need To Make A sacrifice.

Someone may be asking if sacrifice is different from prayer. No, prayer and sacrifice work together. It is in prayer that you present your sacrifice before you physically hand over whatever the object may be.

However, there are some issues that end at the prayer level, some with prayer and fasting, others may need prayer-powered sacrifice.

I will like to state that not all cases of cheating, lying, separation or divorce are the same. Though they are influenced by unclean spirits, but some require persistent prayers for longer periods. Others will have to add fasting periodically. Yet some others, in addition, may require what we are sharing here... sacrifice.

Typical issues for the covenant of sacrifice may be:

- **Husband in an affair with multiple women at same time or over a period**
- **Husband left home and living with the strange woman**
- **Husband wants divorce or has obtained a divorce**
- **Husband under the influence and control of demon spirits, drugs etc**
- **Husband deep into sexual addiction, porn and sex perversion**

So, you are the one who knows whether your marriage situation with your husband needs the sacrifice /covenant push.

In other words, sacrifice gives you a voice above the noise of opposition. It gives you upper hand over your rival or opponent.

You may not know this, the strange woman keeping your husband may be making her sacrifices to that evil deity to stop you.

Let me explain sacrifice so that you can understand it and benefit.

Sacrifice is a covenant with God over a certain matter that draws God's direct involvement. Covenant is a pact with God. It is like stepping out and signing a contract, usually demonstrated by your offer of value. You would like to know that God takes a covenant very seriously and He never abdicates or fails. However, sacrifice is usually initiated by the party that has the need for intervention.

Sacrifice does not take the place of prayers but complements prayer for fast and sure answer. So sacrifice is presented in prayers... and refreshed in prayers.

Personally, I enter into sacrifice as covenant with God regularly. I have often initiated some covenant on behalf of many of the women that have long-running marriage issues.

The answer to the prayers is actually tied to seed-faith sacrifice **plus** the prayers! The two (sacrifice and prayers) are inseparable. That's what was revealed to me

in that encounter. If any of the two is missing, then we have not conformed.

When you make your seed-faith sacrifice, we will immediately send you the link for the **BBI Letter**. This *letter* contains the instructions on how to do that *very BBI* and then the fully-developed prayers.

What Do You Give As the Seed-faith Sacrifice?

The value and size of a sacrifice is your decision. The sacrifice is not an offering but something (actually it could be any material thing or money) that is worthy of presentation to God. This will, of course, be according to what you can afford.

The covenant is for God to be practically responsive to your battle (prayers) and ensure your victory.

The sacrifice and the covenant is **not** the end of the deal for you. You will still have to conclude the terms of *this* covenant by actually praying the prayers according to instruction. So, if you do **not** have time to pray the **BBI** prayers, or you wish to pray something entirely different, then you may not make any seed-faith sacrifice at all.

How Do You Send Your Seed-faith Sacrifice?

The most important thing to understand in giving your sacrifice is that it is a spiritual transaction with God. The sacrifice is not to support anybody or Ministry, and it is not to 'purchase' the prayers. If you don't understand this, the whole purpose will be lost.

But if you get that, then you are on the right footing. So, go ahead and present your sacrifice *to God* by prayer. It is after the prayer that you move the object of the sacrifice to the Servant of God or Ministry. *I have included a specimen prayer for the presentation of your sacrifice to God on the next page.*

Whenever the **BBI** is announced, the **BBI** page is refreshed so that you can send your seed-faith sacrifice using your credit card. If that method is not convenient for you or your location, there are other means. For example, you may send it through the Western Union Money Transfer or the MoneyGram. Please note that you will need to get in touch with me first (through the email) so as to get the details for the transfer.

When the BBI is announced, we set a base amount at the BBI Page, just to cover the initial admin cost of producing and delivery of the *BBI Letter*. This is NOT the payment of the Letter or the Seed-Faith Sacrifice.

Your sacrifice will be the extra amount over the base amount. However, if you decide not to make any sacrifice but send only the base, we will still send you the *BBI Letter*.

This would mean you have NOT made any sacrifice for the BBI intercessions. *(Please note that the BBI Page may not open the platform until the BBI is announced. So wait until we announce the BBI.*

Specimen of the Prayer of Intention for presenting sacrifice.

Father God, creator of all things, changer of situations and circumstances, I come before you today because I cannot fight and win back my marriage without you. Lord, you are the keeper of covenants of a thousand generations for those who seek you (psalms 105:8).

Father, in the name of Jesus Christ, your own sacrificed son, I come with my sacrifice of my ... (name the object of

sacrifice). I present this sacrifice through the Ministry of your servant ... (name that Ministry or God's Servant there). And I ask that you accept my sacrifice and set a covenant with me to take over my struggles with my husband and marriage.

Father, win back my husband and marriage speedily in Jesus name. Let not the forces of covenant-breakers triumph over me. Father, let that strange woman, and her helpers, know that there is no God but You. All powers belong to you, my Father, let them realize it and bow to You (Psalms 62 11). And, Lord, turn again the heart of my husband, with full affection and integrity to me because the heart of everyone is in your hands and You turn it wherever you will (Proverbs 21:1).

I believe your Word that you will honor your covenant (Psalms 89:34), therefore take up my case and give me victory because those against me cannot win when You are with me.

I thank you, Lord and I believe that victory is mine from now in Jesus name. Amen!

How Often Do We Have The BBI?

Actually, I do not know when the BBI will hold until I am told! I get ready when I receive the ‘signals’. However, in the first year of **BBI** (2017), we did the **BBI** three times. So, the **BBI** would probably hold three or four times in a year. Even at that, the months and dates are what I obtain in my prayers.

Below are few of the published testimonies.

Testimonies...

“Hello Osita,

Sorry I have not been in touch since June when the BBI ended. I think that BBI was for me but I wanted to be sure the testimony is real before I share. Now, I know it.

Remember I started praying with you in Feb 2015 when my husband declared his love for a woman he met at work and said he did not love me again and was unhappy in our marriage? He abandoned me with our three daughters after 11 years of marriage for that woman.

He later asked for a divorce which you asked me not to consent.

I prayed as you counseled and cried my heart out day and night but nothing changed. Actually, it was getting worse as he stopped communicating, our bills were unpaid and rising. I wanted to give up the prayers and face my life by other means but you urged me to continue praying.

The wait was much longer time than any other testimonies I have heard. Truly I thought nothing would happen again but you said you were praying for me without ceasing.

Then on Sunday, June 18, he APPEARED in our Church and came home with us after. That was the Sunday after BBI. From that day, things changed fast. Though he was going and coming, we made love a lot, and he became very loving and too good to be true. I thought it was fake but I allowed him.

He finally returned home to us on Tuesday, July 4 (2017). He has not said much about those times he was away with that strange woman, but he has not stopped loving me and our daughters. No more secret phone calls, chats or unexplained outings.

Man of God, this is like a dream of Heaven. What we have now is even better than what it used to be.

I thank God I listened to you and did not give up. God is indeed faithful.

I am sending an offering next week in appreciation of the work of your Ministry.

You are a super blessing. I am still afraid somehow. I don't want things to change again. Please don't stop praying for us.” (Rosemary)

Dearest Osita,

Wow, I'm so humbled by what God is doing in my life and my marriage, glory to God.

There is a big change now, the devil used my in-laws working together with the strange woman to trouble my

marriage. In the course of our prayers, my sister-in-law confessed about their wickedness but my mother-in-law and the other family members attacked her big time for the confessions. They denied being part of the things she confessed.

This caused divisions in the family, causing them to turn against each other. It was so bad they even disowned each other. But God was working for me as you said.

On a Monday, some three months back, I received a call from my mother-in-law apologizing for conspiring with the wicked strange woman to destroy my marriage. To my shock, she confessed all their wickedness and witchcraft towards my marriage and my life. I requested her to say this in front of everyone, including my husband. On Saturday 29 July she confessed in a meeting confirming all that my sister-in-law had said. My husband also apologized for all the pain caused by him and his family including that strange woman.

Everything is quickly coming back to normal including our intimacy and relationship with each other.

Thanks so much and glory to God!

Hi Osita,

... below is a message from my husband that he sent today about 30 minutes ago.

"For the sake of our kids, can't we just be together and be a family again, please?"

I am so excited about prayer and am enjoying it so much now more than ever. His mother who never ever liked or accepted me called me and wants to talk or confess to me.

Thank you, Osita, for showing me the power of prayer, I am so excited about these results I'm seeing, my confidence is being boosted.

Thank you for standing with me in prayer, let's continue to pray.

Osita, truly the Lord has turned my husband around. I am blessed. He confessed everything to me and knew that it was a spiritual battle that he went through. We are in love again.

Hi Osita, I cannot find anywhere else to send my testimony. I wanted to send through BBI but it may take awhile... I do not know how things changed so suddenly. God rearranged everything for us at the right time.

Both me and my husband just slowly came back to our family, started attending the mass as one family and have meals together. Our restoration is a great miracle and it means the world to our three children.

It is not yet perfect but we are getting there. We enjoy family bonding with our 6-month-old grandchild.

Please continue to pray for us, Osita. I thank God who sent you our way.

**Osita,
I want to give you the GREAT NEWS, your intercession has worked! My husband has been home for over a month and he has proposed marriage again, we are**

**remarrying each other on our original wedding date -
September 23rd!**

**He's been very respectful and loving me as he should. I
thank you so much for doing what you do, I thank GOD
and you and everyone who has cared to make sure my
marriage is what God intended it to be.**

**All the best and God Bless You and your family.
Amy, USA.**

Hi Osita

**This is to quickly update you since the last time I wrote.
Since then my husband has been calling every day and
has come down this side of town twice.**

**He came and saw me and for the first time in two years he
walked back to our family home, this is where he lived for
5 years before he left. He laid on our marriage bed and
was saying how much he missed his bed.**

He also rang his former employer for his job back and they said they may have shifts for him ...Please pray the Lord redirects them to give him employment somewhere else.

Just this morning, he received a very large sum of money which he has been waiting from one of his investments. He told me today after receiving this money that we are going to be ok from now on.

**Hi Osita,
I'm sorry for late reply because of my working schedule. The BBI prayers were for my benefit. I never thought that I could have my marriage back but God has restored my marriage and I know he will still make it perfect for me. I have seen a lot of changes of good things in me, and I saw a big change in my husband. God is so good and faithful. I need to keep my prayer because I don't want to loose my husband again. I strongly want to send you my**

sacrifice and I will do it tomorrow... How can I send it properly? Thank you so much Osita and thank you for an awesome BBI prayers that you did. I'm looking for more of your prayers.

Hello Osita

At the end of the three weeks of prayer, my husband last night astounded me with what he said to me.

Last night we were out had a nice dinner then chatted in the car. I started crying as I have both my parents not well at the moment. My husband was comforting me and telling me that I'm not alone and I have him beside you.

He said to me he loves me so much and misses me and our life that we had together. He said that he wants to honor me as a husband and if I'll have him he wants our marriage back. Praise God!

He even wanted to go to the hospital to visit my father and apologize for all he has done wrong. He wants me to let him know when he can come and apologize to my parents.

**I have my husband's heart back Osita. I am very happy I don't know what's going to happen from here but I trust God that the outcome will be wonderful.
Please keep my parents in your prayers, Osita.
Mary, USA**

**Good Afternoon Sir,
I just want to testify on the good thing the Lord has started in my marriage. My prayer is that God perfects it and make it permanent. My husband is now a home dad. He comes home straight from the office unlike before and he spends more time at home unlike before.**

**His mobile phone that was a NO GO AREA before, that he guards jealously before, is now what he leaves carelessly. He doesn't spend time chatting on the phone like before. Can this be real? Sometimes, I run into my room to cry in thanksgiving praying that this would remain permanent. I give God all the Glory.

Hello Osita,

As soon as possible I want to sow another seed of support so other women can be blessed. I firmly believe in your ministry.

I mentioned we went to dinner the other night for the first time as a family in 2 years for my daughter's birthday. When my husband came in, he hugged my children then hugged Me! I couldn't believe it. Dinner was great. I printed old pics of the kids and brought a stack of them. I wasn't sure how dinner was going to go seeing we haven't been in his company altogether for some time.

We laughed and talked about old times. I am still in awe of what I see. I am excited when I think about more possibilities. Thank you for the BBI prayers and for being my prayer partner. I will keep you posted on any new developments.

Triffany, USA.

Hello my amazing brother,

I just sent my seed to you via Western Union...you have no idea how excited I am to be able to sow into your ministry...I am so grateful for all you do!! Thank you...thank you!

Thank you again and may God continue to bless your ministry...the devil cannot stop what God is doing!! Bless you!

Sir,

I have been on the prayers and have now experienced things I am not sure what it is any longer.

For the last 3 years that my husband abandoned me and was looking after my niece and her baby from him. He has never got into the house or cared about me. But for the first time yesterday he came to the house and ate my food and ... Just this Wednesday he bought me cake for my birthday.

Angelina, South Africa.

Hello Osita,

On Sunday May 21st, my husband came home after work (instead of going to his apartment to be with his mistress for the first time since he moved out almost 4 months ago) and stayed the entire day. We were intimate that day... and have been so a few times since then.

I truly feel blessed that God have brought you into my life. Another lady who is going through the same situation as I am have expressed how your book of prayers is helping her. Thank you and God Bless.

Tina, Malaysia.

Beloved man of God, Thank you for being obedient to God's call on your life and for the ministry Osita. I praise Jesus for doing a mighty work in me and my family.

You asked me in the initial questionnaire something like what would I like in the next 30 days and my main request was that my husband would come home. I told you this May 25th and the Lord facilitated him coming home June 24th, exactly 30 days, what a miracle, truly

this is only possible with God. Thank you for praying with me, God really is good.

Mary, USA

Hi Osita,

This E-mail might be a little long for you again and thank you for your time of reviewing my situation. During and after BBI prayer period, God has moved my situation around like I never thought it before. Amazingly, I got to spend time with my husband more and we talked than ever before.

I thought he would reject me and push me away but instead we are sleeping in the same room, doing things, worked in the garden, planted flower, went out to eat and watching a movie.

He is taking me out more and talk to me more. I PRAISE GOD for his love and mercy on me. God has dried my tear and I know he will have more for me. GOD IS FAITHFUL TO ME.

Lizzy USA.

Hi Osita,

BBI prayers have turned my husband and marriage around. But I am waiting for your right information to sow a seed in this blessed Ministry. Please tell me how to do it correctly.

Joyce, England

Osita

I wanted to thank-you so much for your reply and prayers, I have faithfully been praying these 3 prayers since you sent them, I have noticed a big difference in my husband and myself. I feel it in my responses to him, it is a good feeling. I will keep praying these prayers faithfully every day. ... Sarah, Philippines

Pastor Osita,

Thank you so much for the prayer points they have really helped a lot as sometimes I wouldn't know what to say. During the past 7 days my husband came and apologized to my family and I. He told me how much he wants our family to be restored! This is just awesome!

Elizabeth, Zimbabwe.

Osita,

The first day of the BBI, I did my 12noon prayers on my lunch break. That night at 6pm, along with my prayers I praised and thanked God for everything, especially this overwhelming peace that has come over me. As soon as I was through, I thought to myself, "oh how I want to hear my husbands voice," as soon as I said that, I saw his face pop up on my phone.

He was calling me! He called to see why I haven't been calling him.

Now, just this morning my husband called me to say that "he was at the house and was getting ready to go and get some groceries, because we needed some; and he was going to send our son, who lives in Florida some money to take care of a few things he has need of.

I was just listening to him, because I KNOW it's God moving in this sacrifice, this fast and in the atmosphere.

Osita, after I read the email you sent out, I had to let you know I already see God moving on my behalf. I believe with my whole heart, that God is in the midst of your prayers, continue to do what God is using you do. I thank him for allowing me to be part of this blessing.

Cory, USA

Man of God,

**I would love to let you know that my husband returned home last night, praise the Lord! I'm still praying fervently for everything to go back to the way it was, if not better than it was. I just want to take one day at a time. God bless you!
Audrey, Canada.**

**Good Evening Osita,
It's always a pleasure to hear from you .I must tell you with confidence that after the sacrifice, I have seen a drastic change and U-turn in my husband that has not been interrupted up till now.**

Everything that they had interfered with between us has been restored. It's just getting better and better day by day. I have no doubt that the enemy has been defeated. I'm surprised though, that some believers have doubt about seed faith.

My prayer every day is for God to open an uncommon door for me to support the work of this ministry because marriage is pertinent to God. I pray that he will continue

**to use you, I have not felt this kind of peace for eight years. I'm grateful; and more grace to you.
Bianca, USA.**

**Osita,
So far my husband, is acting sweeter, when we talk on the phone. So I'll definitely be sowing more seed. I know I shouldn't have bothered you with this. But I'm blown away about how God moves, to me this is confirmation. God is Awesome! Seeds are very important.
Patty, Papua New Guinea.**

**Hi Osita,
I am thankful to God things have taken a different shift after I sowed the seed like you advised. Everything has quieted down and is peaceful again. I know for sure that God is at work on my case and victory is certain because no one can contend with the Great I Am. I thank you and your team of prayer warriors. We shall surely prevail.
More grace to you.**

Rachel, South Africa.

Hi Ostia, Now my husband seems very loving and keen to give our marriage another go. Yesterday he surprised me by telling me he loves me. He has been spending a lot more time at home and been coming every day.

He assured me that he ended his affair with the other woman although I'm still doubtful if he's telling the truth. I am still praying every day and thanking God for where He has brought us at the moment. Will keep you posted on our progress.

Eve, USA.

Osita,

My husband and I had a good beginning conversation yesterday. He apologized and confessed to his affair and I apologized for having been engrossed in work after we lost the baby in which he felt abandoned. I have a feeling this will be a very delicate time and that I need to pray even harder since everything is out in the open. Thank you for your continued prayers.

Anna, Trinidad and Tobago.

Dear Osita,

Thank you for your time and prayers. My husband is with us physically. He is back to normal from a father point of view. He has told me he loves me and will never leave us. But he does not see how things can ever be the same with us... he keeps telling me that he feels responsible for the breakdown of the other woman's marriage. That it is his fault and he can't live with that. Kendall, USA.

Good Morning Osita,

I'm thankful to God things has taken a turn for the better and God has finally broken the wall the enemies put between me and my husband.

We went out one night and one of his mistresses were there, he made a public show of her and he was all over me. It appeared as if he never knew her. We came back home that night, he made love to me like he has been craving for me for a long time and after that he apologized for not touching me for so. I just give God all the glory because the enemies had interfered with the intimacy between us for too long.

Jemima, USA.

"God can turn the heart of a prodigal, stubborn husband and pull him back to his covenant wife. God can stop and annul any evil scheme against your husband and marriage. God can scatter the evil gang-up of inlaws and make them eat their words about you. God can...if you will believe" (Jer 42:11).

**Osita,
Indeed even when we are weak God is always strong, I left home after being beaten and for the first time my husband has been coming to plead for mercy and even crying, this is unlike him because he has done bigger things and has never apologized or shown remorse. I believe its God who is softening his heart. I will continue to pray my prayers until there is a total transformation. Thank you for your support.

**Good Morning Osita,
My husband texted me today and we spoke on the phone as well. He doesn't want to move forward with the divorce anymore but wants us to work things out.**

I told him that I knew that God has his hands in our marriage and that we would be blessed for reconciling. I apologized for not respecting him on the decisions he made on our remodeling. Felicia, USA.

Calvary greetings in Jesus name, Amen. I want to share with you my experience after using the prayers you sent me on right conduct and confession. I realized that I wasn't conducting myself well due to anger. I had a little chat with him but did not mention his Cheating, amended my ways accordingly and kept on praying. Soon after, things began to change for the better though I can't say if he still cheats. Thank you very much and I give God all the glory.

Osita, God gave me another victory over my husband and marriage. My husband actually surprised me and got me credit card today. He gave it to me and told me I should keep it and use it to buy meds for the kids and other things that I may need.

**I also had a dream about him last night fixing our bed. I give God all the glory for I know for sure without any doubt, that my victory is certain. I thank you and more grace to you.
Julia, USA.**

**Osita,
Sorry for this delay in sending you this testimony. I tell you with much, much joy that my husband has been home for four months. Our nineteen-year marriage back on track. I pray the prayers from your book, but add many thank you to God, for example, "thank you for halting the spirit of separation and divorce."
Your prayer book helped me get closer to God, who keeps me anchored in hope. Your book helped me stand in faith that we could correct our marriage, You were right on so many things. He came home six months and two weeks after the affair started. It was completely over. I prayed your prayer points without ceasing.
I even already prayed them this morning at 3 am. Thank you so much for your ministry. I cannot tell you how much you mean to me.
Pamela, United kingdom.**

Hello Osita

Praise the living God! Thank you for standing with me. Indeed I have seen some changes especially in me. Truth is I have always been a bitter person and so glad God gave me an opportunity to experience true joy and the power of prayer.

When I started prayers on Monday, my husband kind of became uncomfortable though I kept my cool. Then on Wednesday he confessed his cheating, told me where I went wrong. From what he said he's no longer interested in that affair but with me. I couldn't believe my ears; only gave God the glory. I know he is not perfect yet but I know the God who made him leave the mistress will complete the rest.

His behavior towards me is good. He treats me like a human being, we talk freely ...no more barking at me. I'm going to continue with my prayer points indeed God is working.

Shawna, Canada.

Osita, I want to thank you so much for your message and prayers which I have faithfully prayed every day since you sent them to me. I definitely feel and see a change in me and I know he feels it too. He now says nice things to me which he hasn't done in a long time, we are a happy couple once again. I can't find words to say how good it feels.

I am still praying the prayers faithfully every day. I have told a lot of people how powerful prayers can be. I have been praying for years I guess I just wasn't praying right. Thank you so much.

Thank you Osita. God brought my husband home on Monday (August 28th) in humility and confession. He really had the desire to be home and restore our marriage. He broke his lease yesterday and is moving home here next weekend.

He hugged me, kissed me (we haven't kissed in over a year and a half!) and told me he loved me and missed me. He made me a steak dinner. Praise Jesus, this is a miracle. Osita, I don't know if you remember but you said my marriage would be doing well by or before the next BBI and you were right, look what God did exactly the day

before. Oh, and I praise Jesus. God's timing was so perfect in so many other ways I cannot explain.

I sent a faith-seed just now through the BBI 2 platform.

Osita, I have a testimony on my marriage. When we started the BBI Level 2 fast from Aug 29 - Aug 31, God did some extraordinary things in my marriage.

The one that stands out the most is on the last day of the fast, my husband and I went to the beach and under the sunset. He just started apologizing and crying looking up to the sky with outstretched hands saying "Father forgive me". I love my wife so much. He was crying really hard. I was elated. He did mention to me that he was no longer in contact with the strange woman. I thank God for what He has done.

Hello Osita, my husband called me yesterday, for almost 2 hours he spoke to me. This is a miracle. I have been waiting for close to 6 months, there was no news at all from him.

All of a sudden, yesterday, he called and spoke to me so nicely. Praise the Lord!

Thank you so much Osita. Prayer can do miracles.
